Bill & Marcy Patterson

Serving in
Ulaanbaatar, Mongolia

Bro. Bill and his family have served as missionaries in Mexico and India before going to Mongolia. Having been trained early in the Greek language and then having opportunity to spend 13 months in Israel studying Hebrew, God has uniquely prepared them for the work of Bible translation. They have been led of the Lord to direct the translation project for Mongolia.

Please pray as we are trying to raise some new support and for the translation projects in which they are involved.

Audrius and Diana are missionaries to Vilnius, Lithuania. Their ministry

focus is church planting, leadership training, and biblical counseling.

Audrius has recently been teaching courses for their Bible college in Riga. "We prayed long that the Lord will add men to the Bible College. And now we are praising the Lord for the answers to prayers."

Edgar Sathuluri in India.

We pray and support with monthly gifts the ministry of **Edgar Sathuluri** in India.

Here is a brief note from his recent letter. "In the 12 conferences held over the last 10 years, a total of 5,592 women with 930 children attended, and their impact on their families and other women has been phenomenal. Lasting fruit has been the hallmark of the GSCW's with over 3,500 women attending Growing Godly Women's weekly Bible studies and over 5,258 illiterate women learning to read their Bibles everyday!"

Ruben and Andrea Murillo Jr are missionaries to Cuba and Mexico.

Both "Junior" and Andrea are third generation missionaries with a long history in the country of Mexico.

Junior works with many, many Cuban pastors by helping to provide bicycles, Bibles, food, monthly support, and training materials. Junior and Andrea have just recently left Monterrey, Mexico to start a new church and begin a new camp ministry in addition to their other established ministries. **Please take time to pray to this couple as good use them in Cuba.**

Dan Puckett is one of our North America missionaries through Life Action Ministry. God has been using

this dear man as he reports in his email update. "God has given us a good year with many souls saved, families put back together, and lives changed. We have had people saved in almost every summit and also at our Camp. Recently at a Men's retreat at our Camp. Three adult men gave their lives to Christ."
